Master Educator Program Bundle

A Full-Day Immersive Living History Experience

Turn a School Day into a Journey Through Time

What if your students didn't just *learn* history...

...but moved through it—hour by hour, story by story, challenge by challenge?

The **Master Educator Program Bundle** is a fully customizable, multi-program experience that transforms a single day into an unforgettable journey across American history.

This is not a single presentation.

This is a **complete educational event**.

Students rotate through immersive programs that combine storytelling, hands-on challenges, live demonstrations, and emotional engagement—creating a day they will talk about long after it ends.

Why This Program is a Must for Your Classroom

- Multiple programs in one day = maximum impact
- Keeps students engaged from start to finish
- Reaches all learning styles (visual, auditory, hands-on)
- Blends education with excitement and movement
- Supports curriculum across multiple subjects
- Creates a shared school-wide experience

This is the kind of day students remember.

This is the kind of learning that lasts.

How the Program Works

The day is structured as a **rotating educational series**.

Students are divided into groups and move through multiple program stations or presentations throughout the day.

Example Format:

- 3–5 programs in one day
- 30–60 minutes per session
- Rotating group schedule
- Large group + small group options

Each session offers a completely different experience—keeping energy high and engagement strong.
